

# SUPERYACHT CREW ESSENTIALS MEDICAL PLAN

Moore Stephens Isle of Man Insurance

*Creative, comprehensive and specifically for superyachts*

Be safe at sea with the Superyacht Crew Essentials Medical Plan. Provided by Moore Stephens Brokers Limited

## FOR OWNERS AND THEIR YACHT MANAGERS

- The simplicity of the same premium, male or female, regardless of age up to 70.
- Monthly insurance bordereau (crew list) proactively administered by Moore Stephens Crew Benefits ("MSCB").
- MSCB liaise with the appointed officer on a regular basis to ensure crew list is current ensuring efficient use of premium over the year, safeguarding year end refunds.

## SUPERYACHT CREW ESSENTIALS MEDICAL PLAN

For some, good cover and economy of premium is important.

We listened to our clients and now the Essentials Medical Plan is available.

Still providing great cover for those emergencies, with high policy maximums, and including our traditional \$5,000,000 for oncology and other serious diagnoses.

Policy features include:

- A single point of contact.
- A wide choice of healthcare providers and hospitals around the world.
- Worldwide cover.
- Emergency medical cover in the USA \*.

We're still small enough to provide the great service we are known for – and big enough to negotiate the best deal for you. You'll always work with a single point of contact who takes time to listen and understand your needs.

Different insurance underwriters and providers have different strengths. We source from the most trusted underwriting groups in the world including Lloyd's of London.

\* Emergency Medical Complaint means a medical condition resulting from an Accident, or any sudden beginning or worsening of a severe illness that presents an immediate and serious threat to the Insured Person's health and requires immediate medical attention by a Physician.
